Task - Natural Conversation
Stimuli Version 2
May 30, 2023 - Mystery Set 1

Player 1 is holding a card with the stimuli: writer, metal, ladder, bin
Player 2 is holding a card with the stimuli: leader, pedal, butter, ship

- Task begins -

P1: Okay, P2 - does your card have a **ship**?
P2: Um, do you mean a sheep like the woolly animal?
P1: Oh, no I meant **ship**… a large boat?
P2: Yes, my card has a **ship**. (1)
P1: Okay, your turn.
P2: Hmm, does your card have a **pill**?
P1: Like, a banana **peel?**
P2: No, like a **pill**…that contains medicine?
P1: Oooooh, no, my card doesn't have a **pill**.
P2: Okay, your turn!
P1: Does your card have… **butter**?
P2: **Butter**… like **butter** used in baking or cooking?
P1: Yes, like the ingredient **butter** or a spread on toast!
P2: Ah yes, my card does have **butter**! (2)
P1: Nice, thanks! Does your card have a **litre**?
P2: I thought you already guessed that I have a **leader**?
P1: Oh no, I mean a container of milk or bottle of pop, a **litre.**
P2: Sorry, **litre** or **leader**?
P1: **Litre,** like a measurement of liquid!
P2: Got it - no, I have a **leader** as in a person who takes charge in a group! (3)
P1: Okay so you have a card with **butter**, a **leader** but no **sheep**.
P2: Yes. Does your character have **metal**?
P1: Did you say **medal**?
P2: I meant **metal** like copper or aluminum.
P1: Oh! Then yes, my card has **metal**! (1)
P2: Okay, so far I know one of your items is **metal**. Your turn!
P1: Hmm…does your card have a **pedal**?
P2: Just to clarify, you said **pedal** used for driving or when playing the drums? If so, then yes I have a **pedal**! (4)
P1: Great! Okay, So now I know your four items, I think! Do you have **butter,** a **leader**, **pedal** and a **ship?**

P2: Yes, that's correct! I think I've only got one of your four items… **metal**, but no **pill.**

P1: Awesome! Oh no, time is running out.

P2: OK, let me see if I can finish guessing your items!

P1: Yes, so far you've only guessed one, **metal**.

P2: Hmm, okay. Does your card have a **pick**?

P1: No, I don't have a mountain **peak**.

P2: Sorry I meant pick like a **pick** axe.

P1: Ah, gotcha. Nope, no **pick** either.

P2: What about a **writer**?

P1: Uh, a **rider**? Like a **rider** on a horse?

P2: No, like a **writer**, someone writing books?

P1: Oh, yes! Like an author, yes my card has a **writer**. **(2)**

P2: Okay, now I know you have a **metal** and a **writer** on your card. Hmm, does your card show a **ladder**?

P1: Sorry could you repeat that? Did you say **latter** or **ladder**?

P2: A **ladder**, like something you climb up and down.

P1: Oh! Yes, I do have a **ladder**! **(3)**

P2: Great! Does that mean your card has **metal,** a **writer**, and **ladder**?

P1: Yes, you got it! I have one more item…

P2: Okay, let's see. Do you have a bean?

P1: I don't have a green bean but a recycling **bin**!

P2: Sorry, I meant to say **bin**! **(3)**

P1: Then yes, you've guessed all my items!

P2: Your card has **metal**, a **writer**, a **ladder** and a **bin**!

P1: Great work! I think next round, we can guess all the items even faster!

Task - Natural Conversation
Stimuli Version 1

Player 1 is holding a card with batter, medal, rider, puppy
Player 2 is holding a card with petal, budder, litre, ship

P1: Okay, P2, does your card have a **peach?**

P2: Hmm no, my card does not have a **peach**… does yours have a **rider?**

P1: Sorry, did you say **writer?**

P2: I said **rider…** like someone riding a motorcycle.

P1: Yes! My card does have a **rider**. Your turn! (1)

P2: Does your card have **medal?**

P1: Do you mean metal as in iron or silver?

P2: No, I meant a **medal** as in a prize.

P1: Yes, my card has a **medal**! Does your card have a **budder**? (2)

P2: Do you mean **butter** used in cooking or **budder** like a plant that grows**?**

P1: Oh, I meant a plant that buds, a **budder**!

P2: Ah okay, yes my card has a **budder.** (1)

P1: Great! I've finally guessed one of your items. Your turn.

P2: So your card has a **rider** and **metal**. I need to figure out what the last two objects are!
